

GEORGIA BROADBAND SUMMIT

THE 5TH ANNUAL GEORGIA
BROADBAND SUMMIT IS
COMING TO WARNER ROBINS
ON **TUESDAY, JULY 16!**

This year's event will take place as the Georgia Technology Authority prepares to roll out billions in BEAD infrastructure and digital connectivity funding. The Summit will bring city and county officials together with key stakeholders for a day of networking and exploring partnerships for successful, community-driven broadband programs.

Join us for three interactive panel discussions and more:

- Building Successful Partnerships for Broadband
- What can ISPs do for you?
- Creating Digital Connectivity for All

Panels will feature local officials who have been a part of successful broadband partnerships to talk about how they made it work, who was involved, where funding came from and other elements of success. The overarching goal of this year's Summit is to allow local leaders, ISPs and other partners to learn from each other's experiences.

DATE AND TIME: Tuesday, July 16, 2024 from 10:30 am - 2:15 pm. Doors open at 10:00 am.

VENUE: Warner Robins Parks & Recreation Center located at 900 N Houston Road, Warner Robins, GA, 31903

COST: \$25 per person, including each guest. Lunch is included.

**YOU WON'T WANT TO MISS THIS YEAR'S
