There are lots of way to edit a podcast:

Processing...

Don't leave this step out, but don't make it too complicated either...use pre-sets.

There are also lots of places to host a podcast:

Podbean

Buzzsprout

RecCircle

And more...

Available on
Podbean

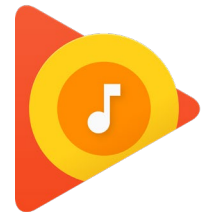

is a hosting site for Podcasts.

Hosts our Podcast files

Distributes those files to...

Google Play
Music

Spotify®

iHeart
