Palmetto

East Central Regional Hospital, Augusta

December 5, 2019

- Presentation of gifts,
9 a.m. Program, 10 a.m.

Chair
Mayor Greg Carswell
Waynesboro

What Is The Mayors' Christmas Motorcade?

GMA began the Mayors' Christmas Motorcade in 1959 at the request of Betty Vandiver, wife of then-Governor Ernest Vandiver, as a way of providing holiday gifts for the patients of Georgia's mental health hospitals.

Originally established to provide gifts to clients at Central State Hospital in Milledgeville, the program was expanded in the 1980's to support state regional hospitals.

Without the Mayors' Christmas Motorcade, many of the clients would not receive a gift for the holidays. The Christmas spirit demonstrated by cities during the Motorcade extends beyond the holiday season. Any gifts not handed out during Christmas are used for client birthdays or given to newly arrived clients, who may need basic items. In this way, cities help the hospitals celebrate special occasions year-round and help the hospitals meet the needs of their clients.

From Mayor Julie Smith, – Tifton, Statewide Chair

“The Mayors' Motorcade is a great way for our city officials to share the joy and hope of Christmas with some of those who are in great need but are often forgotten. I hope that all cities will participate in this meaningful program.”

How Can Your City Help?

1. Identify a program coordinator, such as the fire department, police department or civic organization to coordinate this effort. Businesses, churches and civic groups in your city can participate.
2. Organize your fundraising activities early in the year to maximize exposure.
3. Share the news! GMA has provided you with press releases for your local media. Post your information at city hall or mail with utility bills. You can even post it on the city's Facebook page or tweet the message to let everyone know where the gift drop-location (city hall/fire station/etc.) will be.
4. Each hospital sets a time and day in early December for their event, which is when the gifts are delivered. This is a special occasion for both event participants and clients by serving refreshments and providing entertainment.
